This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Motion to Produce (the Motion), filed by Southeastern Freight Lines (the Intervenor), whereby the Intervenor moves the Commission to require Freedom Freight, Incorporated (the Applicant) to provide Intervenor with copies of all exhibits, charts, and documents which the Applicant intends to produce at the hearing.

The Commission has considered the Motion of the Intervenor and finds such to be within the province of discovery in this proceeding. Further, the Commission notes that there has been no Return to the Motion filed. Therefore, the Commission is of the opinion, and so finds, that the Intervenor's Motion to Produce should be granted.
